This booklet is designed to help you maximize your deductions and minimize problems in preparing and filing your tax return.

Please keep in mind that taxes can be very complicated and even though this booklet will accommodate most taxpayers' needs, if you have a special situation not covered, please list it under "Questions You May Have."

The **"ALERT FLAGS"** designate certain special conditions as follows:

Indicates areas that need to be completed by new clients.

Indicates areas that **MUST** be completed by new clients and only needs to be filled in by existing clients when the information has changed.

The most important flag of all, denotes areas where the IRS has concentrated their computer matching programs. If the information provided is incorrect, it may trigger a service center audit. Pay particular attention to any special instructions in areas with this flag.
